

Logging into the Gradebook System

To access information about your child/children, point your web browser to <https://www.bwcsd.org>. The system will ask for a user name and password. The user name will be your child's first and last name, while the password will be your child's date of birth. For example, if your child was born on May 8, 2001, the password would be 05-08-2001.

If you have trouble logging in, especially if your child has multiple last names, try variations of the name. For example, if the last name is "Gutierrez-Chavez", try "Gutierrez Chavez", "Chavez-Gutierrez", "Chavez Gutierrez", "Chavez", and "Gutierrez" as the last name. If you still have trouble, visit the office of the school your child attends. We cannot give this information over the phone.
