Howard Burnham Dragonbots

Robotics Team Meeting/Practice

Dragonbots @ UTEP

3rd place trophy: Strategy and Innovations

LEGO Pit: 1st FTC Regional Competition

School Presentation

While we are proud to have received the recognition of a trophy at competition, we are most proud of the teamwork, perseverance, and courage that our 5th grade team members showed. Way to go HBE Dragonbots!

-Karen Saunders, Robotics Coach

Upcoming Events:

HBE every other week, reviewing the judges' scoring from the competition, planning strategies for next year, and building robot kits that aren't LEGO based.

Coaches: Karen Saunders & Laura Torres Contreras

Upcoming Sessions:

Every Wednesday
from 3:30-4:30 PM @ Vista Del Futuro

Robotics Coach:
William Wilson

Students working on the Lego EV3 tracker

Vista Del Futuro Robotics

Vista students working on Discovery STEM and constructing a forklift.

Students working on the Lego EV3 tracker

They are having lots of fun thinking of all the possibilities when making a robot and programming them to do certain functions. Students believe they can change the world their robots.

-Coach Wilson

Da Vinci Robotics

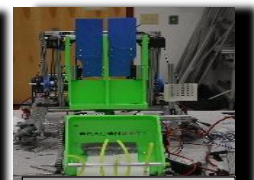

Silver Team at work!

UTEP Competition

DV Robotics Team

Gold Team Robot

"It's no easy feat to commit to several hours daily and sacrifice every Saturday morning, but the evidence of their dedication is indisputable."

-Jonathan Fernandez, Coach

Silver Team 2019

Gold Team 2019
