Vista Del Futuro Elementary has made it a practice to send home school correspondences in English and Spanish to ensure all information related to our school is understandable. A staff translator assists our school with oral communication when necessary.

SEC. .4. ACCESSIBILITY

In carrying out the parental involvement requirements of this part, Vista Del Futuro, to the extent practicable, shall provide full opportunities for the participation of parents with children with limited English proficiency, parents with children with disabilities, and parents of migratory children, including providing information and school reports in a format and, to the extent practicable, in a language that parents can understand.

Parents of all students, regardless of English proficiency, mobility or disability, are an integral and important part of our learning community. All parents are afforded the opportunity to be involved in their child's school environment. For this reason, if a special need is identified that would help a parent to more fully understand the educational process and the academic progress of his/her child, assistance will be provided to that parent. This type support often comes in the form of translated school documents in a parent's primary language, having an interpreter on hand to translate important information at school wide meetings and events, working with an interpreter to provide translation in parent/teacher conferences, making available parent resource that are in English and Spanish, participating in faculty and staff training to better understand the culture of the students served, providing easier accessibility to parents and/or students with disabilities, etc.

- All materials to be relayed to parents are provided both in Spanish and in English
- School Reach Messages to parents are provided in both Spanish and English

This policy will be in effect during the 2023-2024 school year. The school will distribute this policy in English and Spanish to all parents and families during the annual in-person Title I Parental Involvement Meetings. Updated versions will also be posted on the district and campus websites in both English and Spanish. Hard copies will be made available upon request.
