---

*Answer all sections in complete sentences. Student Response must be typed. Some responses will require at least one to two paragraphs.*

1. Describe the Service or Product that your company provides.
2. Describe the business model:
3. Describe the tasks you performed during your internship. Discuss what skills helped you perform them and what new skills you picked up.
4. Were any of our Core Values (Respect, Responsibility, quality of Self and Work) evident in your community service environment? Cite a specific example in which a person demonstrated or failed to demonstrate one of these core values. You can use yourself as an example.
5. Give one example of a connection between classroom learning and the requirements of your role/duties in your setting.
6. Tell us more about how your Company makes a profit.
7. How do employees communicate laterally and vertically with their coworkers, supervisors and the public? Do you see consistency? Is there a particular culture that the employees are expected to follow? How do they learn what is expected?
8. What education/skills would one need to work as a professional in this company?
