

Howard Burnham Elementary December Newsletter

December 2020

Principal's Message

As 2020 comes to a close, I wanted to thank all of you for the commitment and support you give to Howard Burnham Elementary. I understand how difficult this situation has been for our students, parents and teachers. Everyone has done an incredible job to help our students grow. We will continue with our instructional model for the time being until all students can safely return to school.

I want to wish you a new year filled with good health, a peaceful heart and a promise for the children of HBE. On behalf of all the staff at HBE, I would like to wish all our families a wonderful holiday! Take some time to relax and enjoy time with family over the winter break. It is my hope that we can all be together soon. See you in 2021!

Martha Franco,

Principal

Schoology

Our district is in the process of implementing a new learning management system called Schoology.

With the account and app, you can see your child's past and upcoming assignments in all classes, class calendars, school events and send your child's teachers messages. You can see what assignments your child has turned in as well as what they need to turn in.

Your child's teacher will provide you an exclusive Parent Code.

Once you have the code, you can set up your Parent Account at <http://Schoology.com>

More information coming soon...

Important Dates in December

December 2/3 – Picture days. All students should take their picture.
