Principal's Message

Welcome to the 2021-2022 school year! It is great to have all our students back in the building.

We have started off the year with lots of changes and improvements in our school. Our teachers are working hard to get all our students back on track, after being virtual for over a year. We encourage you to work closely with your child's teacher to make this year a success.

This year we have a district Service Worker, Mr. Daryl Shetty who will be helping us and our families. He is here to help our families with attendance issues, discipline problems or any other issues that may come up throughout the year.

Thank you for your continued patience and understanding, as we get back to normal. We look forward to working with your precious children.

Please feel free to contact me if you have any concerns.

Martha Franco,

Principal

Assistant Principal's message

Dear Parents,

Due to the increase of COVID cases in our school, we are highly encouraging students to wear masks, keep social distancing and not share materials/supplies with others. Together we can continue to be safe and healthy in our school.

If you have any questions or concerns, please feel free to call the school.

Claudia Castanon
