

# Howard Burnham Elementary November Newsletter

November 2021

## Principal's Message

I am very proud of our Howard Burnham families and teachers for the support you have given our students during time. Rest assured that our teachers are doing an outstanding job in delivering instruction to our students with the expected rigor and enthusiasm as they always have. Thank you, parents are being supportive, flexible and understanding.

We've noticed lots of students getting to school late. Ensure our students are in their classroom by 7:45 AM! We do start receiving students as early as 7:10 AM for those who would like to eat breakfast.

In the meantime, continue being there for your child/children. This is the time to reflect and show our gratitude. It is the time of year that we are grateful for the dedicated and kind people in our lives. Your love and support for each one of our students continues to make a positive impact in each one of them. I am grateful to be part of such a wonderful school filled with such a hard-working staff. I am grateful for our parents who support us and our students. A special THANK YOU to all of you.

*Martha Franco*
