

Howard Burnham Elementary November Newsletter

November 2023

Principal's Message

Parents and Families,

Thank you for motivating your children to stay engaged in class and do the best they can. Thank you for ensuring that when necessary, they attend tutoring to continue improving academically.

We've noticed lots of students getting to school late. Ensure our students are in their classroom by 7:45 AM! We do start receiving students as early as 7:10 AM for those who would like to eat breakfast.

In the meantime, continue being there for your child/children. This is the time to reflect and show our gratitude. It is the time of year that we are grateful for the dedicated and kind people in our lives. Your love and support for each one of our students continues to make a positive impact in each one of them. I am grateful to be part of such a wonderful school filled with such a hard-working staff. I am grateful for our parents who support us and our students. A special THANK YOU to all of you.

Martha Franco

Principal

Know When to Keep Kids Home During Flu Season

Symptoms may include:

- A sudden fever (usually above 101°F)
- Chills and body shakes
- Headache, body aches
- Sleepiness
- Sore throat
- Dry, hacking cough
- Stuffy or runny nose

Keep your family and community healthy by getting vaccinated today!
