

The Linguistic Academy of El Paso: A Cultural Demonstration Site September Newsletter

Principal's Message

Welcome to the 2020-2021 school year! We hope this newsletter finds you and your family safe and healthy! This year will be full of opportunities for students. They will become experts on devices as they navigate websites and become independent learners while learning in two languages (English & Spanish).

As we begin this academic year virtually, students will not be allowed to return to until it is safe for them to participate in face-to-face instruction. You are not expected to sit by your child as they work. However, depending on the age of the child, you will still need to monitor and ensure they have a safe work space with minimal distractions. Teachers are providing instruction as if they were in the classroom in hopes that all students gain independence every day.

Thank you for your continued patience and understanding. We will continue to try our best to help you resolve any issues.

Thank you for trusting us with the education of your precious children.

Georgina Heras-Salas, Principal

Announcements

We are proud to announce that we have three new teachers joining our team. Ms. Leal (Kinder), Ms. Cabrera (1st Grade) and Ms. Fragoso (1st Grade). In addition, Michelle Montes, will assist our campus in administrative duties while working closely with me. Welcome ladies! ☺ Please do not hesitate to contact us with any questions/concerns you may have at (915) 331-4397.

Campus Message

Dear Parents/Guardians,

The Coronavirus has impacted everyone's life in one way or another. We ask for your patience and understanding. Communicate with your child's teacher frequently. They are here to help you as am I. Feel free to ask for help if you encounter any issues. Thank you.

Michelle Montes

School Improvements

You may have noticed that we have been working diligently on outdoor and indoor improvements to our school. We have set up two portables by the West Side main entrance. They will house four classrooms until the new wing is built. This was due to growth in student enrollment. ☺
