is it BULLYING?

When someone says or does something *unintentionally* hurtful and they do it once, that's **RUDE.**

When someone says or does something *intentionally* hurtful and they do it once, that's **MEAN.**

When someone says or does something *intentionally* hurtful and they *keep doing it*—even when you tell them to stop or show them that you're upset—that's **BULLYING.**
