Principal's Message

What is the importance of reading books?

"Reading is important because it develops our thoughts, gives us endless knowledge and lessons while keeping our minds active. Books can hold and keep all kinds of information, stories, thoughts and feelings unlike anything else in this world."

What are the benefits of reading?

Research shows that regular reading:

- improves **brain** connectivity.
- increases your vocabulary and comprehension.
- aids in sleep readiness.
- reduces **stress**.
- lowers blood pressure and heart rate.
- fights depression symptoms.
- prevents cognitive decline as you age.
