### February 2025 Newsletter

#### Principal's Message

**February** is **American Heart Month**, a time when all people can focus on their cardiovascular health. Do you know how to keep your heart healthy? You can take an active role in reducing your risk for heart disease by eating a healthy diet, engaging in physical activity, and managing your cholesterol and blood pressure. This is a great chance to start some heart-healthy habits!

*Claudia Castanon, Principal*
