## A note from our Principal

*Ana Candelaria*

Welcome to the 2020-2021 school year! I must begin by giving a big, "Thank You," to all our Vista del Futuro Charter School parents, teachers, and especially students for a very successful first month of Remote Instruction.

We are currently beautifying our school as we anxiously await your return. The school is being deep cleaned and sanitized for everyone's safety and will be opening the week of August 24, 2020. The school is also going through a much-needed paint make-over. Each classroom now has accent walls and the hallways are brighter than ever!

If you have any questions, please do not hesitate to reach out to us.

I cannot wait to meet each and every one of you!

Yours in education,

Mrs. Ana Candelaria  
Principal  
Vista del Futuro Charter School

## A note from our Assistant Principal

*Julie D. Contreras*

First and foremost, WELCOME to the 2020-2021 school year. We have started off quite different from prior school years, but please know that everything we are currently doing is for the safety of our Vista families, teachers, and staff.

During this unprecedented time, the administration team, along with the Vista teachers are here to support you in any way we can. You are not alone in this new venture, and we WILL get through this together. Do not hesitate to reach out to myself or your teachers for guidance and assistance with any concern you may have.

We look forward to our new normal, and the day we can all safely be face-to-face in our building – doing what we do best - getting our learn on!

### *Pre-K3 and Pre-K4*

Vista del Futuro is proud to announce that we have been approved by TEA to have our Pre-K3 & Pre-K4 classes fully funded. To find out if your child is eligible for free public Pre-K3 or Pre-K4 visit [tea.texas.gov](http://tea.texas.gov) and type in "General Prekindergarten FAQ." If you do not qualify for the free public classes, there is a small fee to have your child enrolled. Keep in mind your child must be 3 by September 01, 2020. If you have any questions, please call 915-855-8143.

Our Pre-K3 & Pre-K4 students are full time, starting their day at 7:45am and ending it at 1:45pm. All students attend physical education class, music class, Spanish class, and follow a rigorous early childhood education curriculum.

Vista del Futuro also has an onsite afterschool daycare that students may utilize for ten dollars a day.

## Technical Difficulties

If you are currently experiencing technical difficulties with the laptop issued to you by Vista, please call the front desk so we can assess the situation. It is of the utmost importance to alert your child's teacher of the issue so accommodations can be made until we are able to rectify the situation.

Communication is key, without it, teachers do not know what is happening on the other side of the computer.
